

ENVIRONMENTAL POLICY

PROEIGHT SDN BHD (ProEight) is dedicated to promoting sustainability and protecting the environment through business operations. We recognize the importance of conducting our activities environmentally responsible and strive to be a leading manufacturer and service provider by integrating sustainable practices at all levels of our organization.

In addition, we strive to:

1. Comply with all relevant environmental legislation, regulations, and other requirements.
2. Maintain and improve environmental management and performance through self-regulated environmental mainstreaming tools.
3. Regularly review the environmental impact of our activities and strive to minimize any potential environmental impact.
4. Reducing the generation of waste and strengthening the management of scheduled wastes
5. Nurture environmental awareness amongst the staff by providing appropriate training, instruction, information, and supervision.

We are committed to continually improving our environmental performance and minimizing environmental impact. By practising good environmental management, we can prevent pollution and create a better world for future generations.

This policy is communicated to all employees and interested parties and will guide setting objectives and targets.

TS. Akmal Farhan Azhar
Interim Chief Executive Officer
